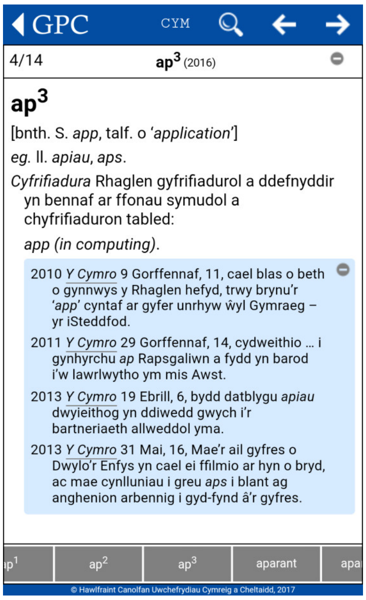
Gwybodaeth i athrawon a disgyblion

Beth am ddefnyddio GPC Ar Lein neu Ap GPC a hynny am ddim?

Cewch fynediad i eiriadur sy'n cyfateb i'r *Oxford English Dictionary*. Mae GPC yn waith enfawr o dros 4,000 o dudalennau, dros naw miliwn o eiriau i gyd, a bron i hanner miliwn o ddyfyniadau enghreifftiol.

- **Ystyr gair? Hanes gair?** Ceir diffiniadau yn Gymraeg yn ogystal â chyfystyron Saesneg, dyfyniadau yn dangos defnydd y gair dros y canrifoedd, a tharddiad y gair.
- **Cyfuniadau fel 'ar gefn ei geffyl'.** Rhestrir cyfuniadau neu ymadroddion cyffredin sy'n cynnwys y gair.
- **Ergydiant? Isobar?** Ceir cryn nifer o dermau technegol ac y mae'r nifer yn cynyddu wrth i'r tîm ychwanegu geiriau'n gyson.
- **Methu meddwl am y gair Cymraeg iawn?** Mantais fawr y fersiwn electronig yw bod modd teipio gair Saesneg i mewn a chael rhestr o'r holl eiriau Cymraeg sy'n cynnwys y gair hwnnw yn eu ddiffiniadau.
- **Methu sillafu gair?** Ceir cymorth gyda sillafiad geiriau: os nad oes modd dod o hyd i air, cynigir rhestr o eiriau tebyg.
- **Treigladau'n broblem?** Dangosir holl ffurfiau treigledig gair yn y canlyniadau chwilio, felly bydd chwilio am '*blaen*' yn dod o hyd i '*ar flaen ei dafod*' a '*pysgota ym mlaen y rhwyd*' hefyd.



Ystyrir GPC yn safon ar gyfer sillafu, ffurfiau lluosog, cenedl enwau, ac yn y blaen. Mae'r holl wybodaeth yn y Geiriadur yn seiliedig ar gorpws o enghreifftiau go iawn.

Sawl gwaith y flwyddyn bydd cannoedd o gofnodion newydd a diweddariadau o hen gofnodion yn cael eu cyhoeddi ar GPC Ar Lein a'r apiau.

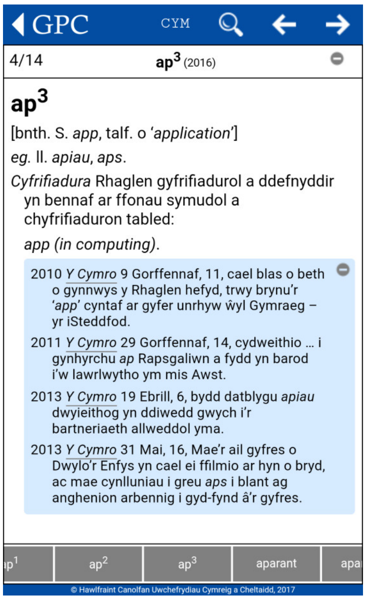
Information for teachers and students

Have you considered using GPC Online or the GPC app (free of charge)?

This will give you access to a dictionary corresponding to the *Oxford English Dictionary*. GPC is a huge work consisting of more than 4,000 pages, with a total of over nine million words, and nearly half a million quotations.

- **Looking for the meanings and origins of words?** The definitions in GPC are given in Welsh followed by English synonyms. Dated examples show how a word was used over the centuries, and there is an explanation of the word's origin.



- **Need to decipher a phrase or expression?** Idiomatic expressions such as 'ar gefn ei geffyl' and common phrases containing the word you are searching for are all listed.
- **Dealing with technical stuff?** The dictionary already contains a number of technical terms and this number is increasing all the time as more words are added.
- **Can't think of the Welsh word?** One of the great advantages of the online version is that you can type in an English word and see a list of all the entries which include that word in their definitions.
- **Unsure how to spell a word?** If the word you typed in is not found, you will be offered a list of the closest matches.
- **Are mutations a problem?** You can type any of the mutated forms of a word into the search box and you will be directed to the relevant entry.

GPC is regarded as an authority on spelling, plural forms, word gender, etc. All the information in the Dictionary is based on a collection of actual examples.

Several times a year hundreds of new entries and updated versions of older entries are added to GPC Online and the apps.
